

I have a right to share my prayers
Pray for the Babies

“Son I must talk to you
I want you to hear what I have to said
A Church of God Preacher and his wife
Tried to take my baby away from me”

Pray for the Babies

“They said
My baby would have a better life with them “

Pray for the Babies

“They said that I was a sinful
Mother for denying them of my baby”

Pray for the Babies

“They said that I was being Selfness
Because I have two babies and they have none”

Pray for the Babies

“They said God wanted me to give them my baby”

Pray for the Babies

“I have spent my whole life fearful
That I was a sinful mother for
Denying gods minister of my baby”

Pray for the Babies

“Today my baby loves the woman
That helped Church of God Preachers
Do sinful things with babies”

Pray for the Babies

My mother said
“I’m not young and pretty anymore
I’m withered and old”

Pray for the Babies

“I ask my mother to tell her story”

Pray for the Babies

The Rev Andrew Stevens
Senior Pastor Of The church of god
In Milford Delaware prayed with my mother
And she told him her story

Pray for the Babies

My mother said “Rev Andrew Stevens
I want you to hear what I have to said
About Dr. Ray H Hughes The
Prince of Pentecostal Preachers”

Pray for the Babies

“Dr. Ray H Hughes and his wife
Keep trying with the help of the
Members of the Cambridge Maryland church
Of God To take babies away from their mothers”

Pray for the Babies

Rev Andrew Stevens
Walks out of my mothers
Hospital Room in Dover Delaware
Saying “I’m not frightened
Of what my church well do to me
I will be back to help the babies and your mother “

Pray for the Babies

Rev Andrew Stevens said “I will be back”

Pray for the Babies

The Church of God Preacher man never came back

Pray for the Babies

I Believe Rev Andrew Stevens
Know about preachers

Doing immoral things to babies
But he did not appear to know about
Dr. Ray H Hughes and his wife

Pray for the Babies

After Rev Andrew Stevens never came back
My mother stops eating and would turn her head
And say over and over again
“Everyone has lied to me”

Pray for the Babies

I make a big mistake expecting a church of god preacher
To behave responsibly or honorably before God
Because my mother breathe her last breath
Worried about what the church may do
To her because she told her story

My songs are my prayers
Linking my songs together creates stories
If anyone wants you to delete my prayers
Tell them the Hospital has videos and there was witness
